TIME:9:30AMONWARDS

*Immerse yourself again in RVCE  
Culture on one of the most  
memorable day in your life.*

## A REPORT ON ALUMNI MEET– 2017

26<sup>th</sup> November 2017, Sunday; Department of Biotechnology was all set to receive its proud Alumni for the Annual Alumni meet ANORANZA'17.

The event was graced by over 30 Alumni from various batches who graduated as early as 2006 to the year 2017 (latest). Principal Dr. K N Subramanya, and Dr. PusphaAgrawal, Head of the Department of Biotechnology, students, Faculty members and non-teaching staff of the department were present for the event.

The registrations began at 9.30 AM in the very well decorated department premises. The event took off traditionally with an invocation by Ms Sri Dhanya (I M.Tech, BBI) followed by welcome address by Dr. Ashwani Sharma, Alumni Coordinator.

Principal Dr. K N Subramanya addressed the gathering and outlined the ways Alumni could involve in various activities of the institution. He offered opportunities at the institution for continuation of education of the Alumni. Dr. PushpaAgrawal, Head of the Department presented before the gathering the vision, accomplishments and challenges before the department and expressed interest in improving Industry-Institute interaction with the help of Alumni connections and presented a framework of different ways Alumni could connect with department for mutual benefit.

Students attended the meet were from the first batch of entry to the penultimate batch in the department, Students shared their opinions and infused a wide array of suggestions how to improve the curriculum and more importantly they emphasized what the department have made the impact on their lives to thrive their present positions, they duly thanked and acknowledged the faculty, and appreciated the infrastructure that we have today in the department. Entrepreneurs and students who are pursuing the higher studies enthusiastically come forward to support the department in all the situations and circumstances to make it more knowledge and experiential learning domain in the years to come.

Alumni made their representations with a bunch of Alumni sharing their fun filled memories, honest opinions, responsible feedback and positive suggestions. The need for exposure of academics to the industry and the need for continuous improvement in the quality of technical education in order to increase the employability and facilitate meaningful research were emphasized in their reflections.

The vote of thanks was proposed by Dr. Ashwani Sharma with which the event took a formal end followed by lunch. We departed with memories shared and carried; happiness contained and promises to meet again.

Our special thanks to the all student volunteers from M. Techwho took up ownership of the event and volunteered to make lot of arrangements for the event.
