TWICE TOPPER, IISc MAKES CITY PROUD

This is for the second year in a row that the university has topped the HRD ministry's ranking; seven private and deemed varsities in Karnataka in top 100

State varsities fail the test

Except Mysore University, none of the 191 universities established by the state government of the 192 universities established by the state government of the 193 universities established by the state government of the 193 universities established to 193 universities established to 193 universities concerned. They are now enalysing the reasons for the state universities not being able to make it to the top 100. SA Korl, Executive Director, Kamandas State Higher Education Council, told Express: "It is high time we start exploring the laptes and weaknesses of our state universities. Even the government will now be individual institutions can host of excellence but such reports act as a reality check." Experts attribute the poor show of state universities to staff crunch and poor infrastructure. Most of the state-run universities are dependent on gover faculties and there is less focus on research activities.

The institute has been like that for decades."

It was just another day for them

Even with the institute topping the Ministry of Human Resources Department's rankings in the National Institutional Framework, there were no celebrations on campus for the students of Indian Institute of Science on Monday.
