BENGALURU: Placements in top engineering colleges for the batch graduating in 2021 kicked off with the same fervour as before despite the pandemic, say colleges.

On Day Zero in RV College of Engineering on August 3, three companies came with dream offers for eight students. An Australian firm offered one student Rs 52 lakh per annum

as CTC; Udaan made two offers and Tekion five of Rs 35 lakh per annum.

"I had four rounds of interviews; I was tested for my coding skills in the first two; the third round focused on system design and the fourth was on values and managerial skills," said Akshar Prasad, who was placed in the Australian-based company.

In [PES University](#), [AppDynamics Technologies India Private Limited](#) was the first firm to start e-hiring. Three computer science students bagged offers with CTC of Rs 39.2 lakh per year. They have also been offered internship with a monthly stipend of Rs 75,000.
