Research Guides & Areas available for Ph.D. Programs

SL No	Research Guide	Designation	Research Area of Expertise
1.	Dr. Shobha G.	Professor & HoD	Data Mining, Image Processing
2.	Dr. N.K. Srinath	Professor & Dean Student Affairs	Advanced Architecture, Parallel Programming, Big Data analysis and Image processing
3.	Dr.Rajashree Shettar	Professor	Web Mining
4.	Dr.Nagaraja G S	Professor	Computer Networks
5.	Dr.Anala M R	Associate Professor	Networking and Parallel Architecture
6.	Dr. Minal Moharir	Associate Professor	Information & Network security, High Performance Computing
7.	Dr.Sharvani G S	Associate Professor	Sensor networks, Cloud and IoT
8.	Dr.Shanta Rangaswamy	Associate Professor	Data Mining, Image Processing, Autonomic Computing
9.	Dr.H.K.Krishnappa	Associate Professor	Graph Theory, Multicore processing & HPC
10.	Dr. Deepamala N	Associate Professor	Natural Language Processing, Networking
11.	Dr.Sowmyarani C N	Associate Professor	Computer Security and Privacy, Computer Networks, IoT
12.	Dr.Ashok Kumar A R	Associate Professor	Data centre Networks, Software defined networks, Distributed System.
13.	Dr.Sowmya A	Assistant Professor	Pattern Recognition, Image Processing, Soft computing, AI & Related Areas.
14.	Dr.Swarnalatha K S	Assistant Professor	Software Engineering
15.	Dr.Usha B A	Assistant Professor	Information Security, Image processing
